

Preamble for the Metrolina AUXCOMM/ARES Net (Wednesdays and other formal nets)

CQ..CQ..CQ... This is **<NAME>**, **<PHONETIC CALLSIGN>**, **<CALLSIGN>** with the Metrolina AUXCOMM/ARES Net.

This is a directed net sponsored by the Mecklenburg Amateur Radio Society. This Wednesday net supports our Mecklenburg County ARES/AUXCOMM training and activities. Is there a training program for tonight's net?

This 146.940 repeater has a tone access of 118.8 Hz., and can be accessed from Echolink at W4BFB-R. It is also linked to the 145.230 and 224.400 repeaters. The alternate net frequency is 146.520 simplex.

This Net does not handle NTS messages. Are there any bulletins for the net?

This is **<CALLSIGN>** and all stations are cordially invited to check in. Give your callsign (slowly and phonetically), your name, and some indication if you *cannot* stay with us for the informal part of the net.

First, are there any mobile, portable, or Echolink stations? Please call...

Now calling for all stations alphabetically according to the first letter of your callsign suffix:

Stations A - M (Alpha thru Mike) Call now...

Stations N - Z (November thru Zulu) Call now...

This is **<CALLSIGN>**. Are there any other stations, in any category, for the **Metrolina AUXCOMM/ARES Net**? Call now...

(Present the Training Program. Handle any announcements here.)

Before we close the **formal** part of the net, does anyone have anything further or are there any other stations wishing to check in? Please call...

This is **<CALLSIGN>**, closing the formal part of the net at hh:mm local time. All stations who wish may secure their

stations. Now we'll move to the informal part of the net..

(Run the participating stations list. Encourage conversations.)

This is **<CALLSIGN>** with the **Metrolina AUXCOMM/ARES Net**. Are there any other stations wishing to check in or is there anything else for the net before we close?

We'll close this evening's net at hh:mm local time. From the Mecklenburg Amateur Radio Society, thanks to all participating stations! Do join us again each evening on the Metrolina Nightly Net at 9:00 PM local time.

This is **<CALLSIGN>** signing clear. 73 to all.
