Membership in the Society is open to any person interested in Amateur Radio. An Amateur Radio license is not required for membership. Only full members holding a valid Amateur Radio license may vote in society elections; only members over 18 years of age may become a club officer or committee chairperson. Every current member is notified when a new newsletter is available via email. Only current society members may operate MARS equipment, following a checkout and instruction session, and they are responsible to comply with and subject to FCC rules and regulations. Members must notify the club secretary of address, phone, and/or email changes.

MARS holds a regular meeting monthly. See <http://www.W4BFB.org> for information about the scheduling and location.

To be a MARS member, you must submit a completed application/renewal/update form and pay the annual dues required. The annual membership year is from January 1st thru December 31st. Your appropriate MARS dues amount may be determined by consulting the membership options below:

<sup>1</sup> Individual - \$25.00: One licensed amateur at this address. Non-licensed individuals pay this rate, but do not have a vote in club business. Reduced rate of \$15.00 for any student with valid ID.

<sup>2</sup> Family - \$35.00: Multiple licensed amateurs at the same address. Please list name(s) and callsign(s) for family members below:

<sup>3</sup> Lifetime Membership - \$350.00: Individual licensed amateur (or non-voting unlicensed individual.)

With the submittal of this application, and appropriate fees, I do hereby agree to abide by the by-laws and Standing Rules of the Society as well as the rules and regulations of the Federal Communications Commission.
