Every current member is notified when a new newsletter is available via email. Only current society members may operate MARS equipment, following a checkout and instruction session, and they are responsible to comply with and subject to FCC rules and regulations. Members must notify the club secretary of address, phone, and/or email changes.

MARS holds a regular meeting monthly. See <http://www.W4BFB.org> for information about the scheduling and location.

To be a MARS member, you must submit a completed application/renewal/update form and pay the annual dues required. The annual membership year is from January 1st thru December 31st. Your appropriate MARS dues amount may be determined by consulting the membership options below:
